

Parking

Chapter 8-1-5(G) of the City Ordinance states that no motor vehicle shall be parked on any alley, avenue, public parking lot, street or on municipal property for a period longer than twenty-four (24) hours at one location, nor shall any unlicensed motor vehicle or junked cars be parked on private property in the open for a period longer than seven (7) days at one location.

Chapter 8-1-5(I) of the City Ordinance states that any vehicle parked in violation of an ordinance may be removed at the direction of a public law enforcement officer and placed in public storage, and the owner thereof shall pay the charges for towing and storage of said vehicle together with any fines and penalties which may be imposed for such violation.
