REMINDER that overhanging trees need to be trimmed to a clearance of fifteen (15) feet over streets and **SIDEWALKS!!**
 Also, if you have trees or bushes that interfere with the **visibility at an intersection**, please trim them also.

After hours – if you need to contact City Personnel after normal working hours please call the City Office at 605.874.2121. The message will have the name and cell phone number of the person who is on call.

SUMP PUMP POLICY
 It shall be permissible to allow groundwater or precipitation runoff into the sanitary sewer system from the 1st day of November each year through the 31st day of March of the following year.

1st Annual Light Up Clear Lake City Park
 Enjoy an evening drive through City Park between November 23rd and January 1st

SNOW REMOVAL

STREETS: During snow removal efforts, it is important to park vehicles, trailers, etc. off the streets and alleys until plowing operations are completed. The City of Clear Lake will not be responsible for vehicles parked in the streets and alleys that are isolated by snow accumulation due to plowing operations. Vehicles parked in the streets or alleys during a snow event are subject to ticketing and towing per City Ordinance 7-1-4. No motor vehicles may be parked overnight at ANY time on Third Avenue (Main Street).

SIDEWALKS: It shall be the duty of every occupant or owner of the premises within the City to remove all ice and snow from the sidewalk abutting said premises as soon after same has accumulated as can reasonably be removed. It is against City Ordinance to throw snow onto a street, alley or adjoining property when clearing driveways and sidewalks in residential areas.

CITY COUNCIL
MAYOR- GARY EIDE
WARD I – TIM HULSCHER & CAREY HOLT
WARD II – KELLI BAUMAN & JOHN KEIMIG
WARD III – RAMONA DRAKE & HARRY MEWHERTER

First of all I would like to thank the Clear Lake Chamber for all of the work they have done this year in promoting businesses and activities in Clear Lake. It was great to see so many people in town enjoying these activities.

Hopefully we will see some drier weather soon, the City has several projects we want to get done yet this fall. There are new waterlines and a new sewer line going in on 6th Ave., there are several homeowners who will be installing curb and gutter, and GFP is coming this week to show the City what needs to be done in preparation for the new handicap dock that will be here next spring.

The City has also made a few improvements this month at Ulven Park. We have installed a 2 inch water line to the bath house and installed a new handicapped accessible vault toilet just north of the picnic shelter. The City Council has also approved the purchase of a new playset that will be installed in 2019.

All of these improvements will enhance our community!!

Mayor Gary Eide

Library Happenings

Library School will meet October 22nd and November 12th followed by a break for the winter holidays. Library School is a free program for preschool children ages 3 to 5 years. Children are exposed to a variety of children's literature as they practice preschool concepts. Call the Library at 605.874.2013 to sign your preschooler up.

Adult computer help is available at the library. If you are interested in learning more about e-books, e-mail, or simply surfing the web, come to the library and we can help you become familiar with those programs as well as others. Individual computer help is available Monday and Thursdays from 4:00—7:00 p.m.

The Clear Lake City Library offers materials for all ages and interests. With over 1,200 DVD movies as well as audio books, magazines, newspapers and of course books, books and more books, everyone will find something to interest them.

BOO Walk

Stop at the City Office for a Halloween treat on October 31st between 4:30 and 5:30 p.m.

ZONING HAPPENINGS

What is required when you want to do something on your property?

- * If you are altering, erecting, repairing, replacing, improving, or building new any home, garage, shed, driveway, sidewalk, patio, playset, etc. which has a cost or value of \$100.00 or more, a building permit is required. The **minimum** building permit fee is \$30.00 for residential properties.
- * Shingling, siding or painting does not require a building permit nor does anything using landscape materials, such as patio pavers, for a driveway or patio.
- * Moving in a brand new shed requires a building permit vs. a moving fee. A moving fee, of \$25.00, is for used buildings only.
- * If what you are doing requires a permit to put up, it requires a demo permit, of \$25.00 to take down. Exceptions to this rule are concrete sidewalks, driveways, and patios.
- * **To be safe, it's best to contact the City Finance Office with any questions at 605.874.2121.**

**6th Avenue 600 Block
Sewer and Water Line
Replacement Project**

The sewer and water lines on the 600 block of 6th Ave will be replaced beginning in early October and will be under construction for 3 to 4 weeks. During construction, the street and parts of some adjacent streets **(including the intersections of 6th Ave and 6th Street AND 6th Ave and 7th Street)** will be closed to all traffic. The road closure will affect travel to/from Deuel School so please keep this in mind if you drop off and/or pick up children from the school.
